Reasons and description of the product adaption

IDS harmonizes the part numbers of accessories (e.g. tripod adapters). Form, fit and function of the affected accessories remains the same. The new part numbers of the affected IDS accessories start with 'AL' or consist of a numeral code instead of 'CK'.

Recommended action for customers

As the product change has no mechanical impact on the cameras functionality or robustness, there is no customer action required from technical point of view.

Kindly use the new part numbers for purchasing our accessories as of November 1st, 2021. Old and new part numbers are listed below in this document.

Date of change

This product change takes place from 1st February 2022.
